

Notes from Research Organisation Consultation Group (ROCG) meeting

Discussion on update to Training Grant terms and conditions – October 2020

Friday 11th September 2020

Shared Parental Leave

The group asked for clarification on how the terminology would apply for same sex couples – how would you determine who is the lead parent? The group felt that Lead parental responsibility terminology would be better. *We confirmed this would be reviewed and clarification added.*

Also, clarification needed on timing and duration of parental leave - could they start in the 11th month and still take 50 weeks? *Need to add in latest possibly date it could be taken.*

10 days ordinary paternity leave - would the 10 days leave extend the studentship duration? – *Yes, paid 10 days and extension* – Does the 10 day relate to calendar days or working days? *Would be working days.* Would this then be part-time equivalent? *To be confirmed.*

No qualifying period remains.
