Subject: Joint Funding and Research Areas
Date: 30 May 2013 14:22:11
Attachments: [JF_June.xlsx](#)
Importance: High

Hi All

Attached is the batch for the June meeting. Please could you look through the list and add joint funding and Research areas where they are missing on Siebel.

Please could you also cover for any team member who is not in today or to-morrow as this needs to be done before the weekend so that the convenor tool will update.

Any queries, please let me know

Thanks
