Thanks for forwarding the [REDACTED] original tweet. We have received sight of the apologetic follow up via another route.

I am sharing this with colleagues, who may have a view on disciplinary options.

Thanks,

Subject: Abusive Tweet from a NERC grantholder

Hi [REDACTED]

Hope all is well with you and sorry to have to bring this to your attention but there has been an abusive tweet from one of your grant holders - [REDACTED]. We have politely replied pointing out that this is not acceptable etc.

Not sure what your policy is? Possibly a call/email?

On a positive note(!) we have just launched the 2019 Strategy of Impact Conference - Tuesday November 12th at The British Library - agenda and registration can be found at <https://www.researchfish.net/conference2019>. Hope to see some of you there.

Regards
