Dear [REDACTED],

Freedom of Information request: FOI2022/00120

Thank you for your Freedom of Information request received on the 29 March in which you requested the following:

Your request:

Our response

I can confirm UK Research and Innovation (UKRI) hold information relevant to your request. Please see the information attached.

We consider that names and contact details fall under the exemption at section 40(2) personal data. Section 40(2) exempts personal information from disclosure if that information relates to someone other than the applicant, and if disclosure of that information would, amongst other things, contravene one of the data protection principles in Article 5(1) of the UK General Data Protection Regulation (UK GDPR) and section 34(1) of the Data Protection Act 2018. In this case, we believe disclosure would contravene the first data protection principle, which provides that processing of personal data is lawful and fair.

Section 40(2) is an absolute exemption and UKRI is not obliged to consider whether the public interest favours disclosing the information.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:

Head of Information Governance

Email: foi@ukri.org or infogovernance@ukri.org

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: www.ico.org.uk.

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,
