Dear [REDACTED]

Freedom of Information request: FOI2023/00541

Thank you for your Freedom of Information request received on the 19 July in which you requested the following:

Your request:

I am writing to ask to see your organisational worker chart specifically for IT across the whole of UKRI.

I already have fantastic relationships with hundreds of workers within UKRI, I am only requesting this as it will help me keep organised and is good to look back on.

I am happy for you to take the names off as I will be able to fill them in myself quite easily. I just want to make sure my information matches yours in terms of organisational structure.

Our response

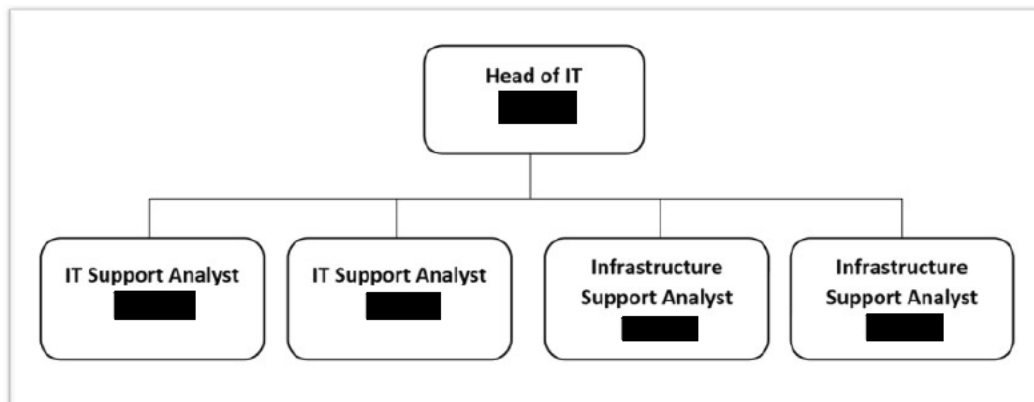

I can confirm that UK Research and Innovation (UKRI) hold information relevant to your request. Please see the information below and attached.

I have attached the anonymised IT organisation charts for UKRI, which covers the Central Hub and all councils without a separate IT function, along with the charts for the British Antarctic Survey (BAS), British Geological Survey (BGS), the Science and Technology Facilities Council (STFC) and Innovate UK (IUK).

The structure of the IT team at the Mary Lyon Centre at Medical Research Council (MRC) Harwell is as follows:

- Head of IT
- IT Systems Support Engineers
- IT Support Technicians – Service Desk

The structure of the IT team at MRC London Institute of Medical Science (LMS) is as follows:

The structure of the IT team at MRC Laboratory of Molecular Biology (LMB) is as follows:

- Head of IT
- Deputy Head of IT
- 3x IT Engineers
- IT Support Assistant

If an IT chart has not been provided for a council or centre, it is because the council or centre has their IT function covered by the central UKRI IT function.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact within the next 40 working days:

Head of Information Governance

Email: foi@ukri.org

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: www.ico.org.uk.

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,

Information Governance
