I can confirm that UK Research and Innovation (UKRI) holds some information relevant to your request. Please see the information below.

As is detailed on the Gateway to Research (GtR) page for project [EP/X022668/1](https://gtr.ukri.org/projects?ref=EP%2FX022668%2F1)<sup>1</sup>, this project is due to commence in August 2023. As such, UKRI does not hold any information relating to questions 1 and 2.

The reporting for this project will be provided through Researchfish, which is very much outcome orientated and not focused on detailed reports on progress. Links to published findings will be posted on the project's GtR page once they become available.

In regard to questions 3-6, we have reviewed the project proposal document and can confirm that there is no mention of any involvement with either the UK or foreign government departments, including the Home or Foreign Office, that the project does not discuss dis- or misinformation, nor does it mention Nexus magazine or T.J. Coles.
