Dear [REDACTED],

**Freedom of Information request: FOI2022/00375**

Thank you for your Freedom of Information request received on the 17 November in which you requested the following:

**Your request:**

*I wish to make an FOI request, as set out under the Freedom of Information Act 2000.*

*Please can your organisation provide the following information:*

*a) The number of roles in your association (expressed in numbers of FTE), that are mainly or exclusively focussed on issues of equality, diversity, or inclusivity. For example, this could include (amongst other guises) "EDI officers" or "diversity and inclusion project managers" but would not include general HR managers.*

*b) Either a) the pay band of each of these roles, or b) the combined total salaries for these roles. Whichever measure is more in accordance with your data preferences.*

*c) In the past 12 months the number of staff days across your organisation which have been committed to attending equality training programmes, whether internally run or with external consultants. (staff days = duration of the training programme multiplied by the number of staff in attendance for the course). If unable to provide please mark as N/A in your return.*

**Our response:**

I can confirm that UK Research and Innovation (UKRI) hold information relevant to your request. Please see the information below.

Under Section 21 of the FOIA, information already reasonably accessible, the information you have requested is already available in the public domain. This takes the form of a response to a previously submitted FOI request seeking the same information from September 2022:
