Freedom of Information request: FOI2020/00395

Thank you for your Freedom of Information request received on the 17 November in which you requested the following:

Your request:

Biomedical Catalyst Round 2020 - Would it be possible for you to let us know please how many submissions were made to this call?

Our response:

I can confirm UK Research and Innovation (UKRI) hold the information relevant to your request. Please see the information below.

For the Biomedical Catalyst 2020: Round 1 Early Stage awards there were 771 applications received in total. 397 of these did not meet the eligibility criteria of the competition and the remaining 374 are currently going through the assessment process.

Once completed, information on the successful submissions will be made available as part of the [Innovate Transparency Data](#)¹. This data is updated on a monthly basis, as and when each competition has been completed and the data is ready for publication.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:

Head of Information Governance

Email: foi@ukri.org or infogovernance@ukri.org

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: <http://www.ico.gov.uk/>

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,
