**Freedom of Information request: FOI2020/00076**

Thank you for your Freedom of Information request received on the 16 March 2020 in which you requested the following:

**Your request:**

*When the funding for the grant DT/E010334/1 and/or the Research Code R26056 ended, Brunel University would have been required to submit detailed final report(s) to the Technology Strategy Board about the work carried out in this grant. I would like to request an electronic copy/copies of the final report(s) submitted to the TSB, which is now Innovate UK, please. Could you kindly also include any financial statements that may have given a breakdown of the manner in which the grant money was eventually utilised by Brunel University.*

**Our response**

I can confirm UK Research and Innovation (UKRI) hold the information relevant to your request. Please see the information below.

1. The final report for DT/E010334/1 (Innovate UK ref: 100425) from Innovate UK (formerly the Technology Strategy Board)

Please find attached with this letter the final report submitted to Innovate UK for project 100425, Upcycling of Light Alloy by Rheoforming Scrap (ULARS) (DTE010334/1) and the exploitation plan that was submitted alongside the report.

We are exempting personal data such as names and contact details under section 40(2) of the FOIA. Disclosing this information would contravene the first Data Protection Principle as defined under Section 86 of the Data Protection Act 2018 and Article 5 of EU General Data Protection Regulation (GDPR) 2016.

Section 40(2) is an absolute exemption and does not require a public interest test

2. Any financial statements showing how Brunel University utilized grant money for DT/E010334/1

Please find the final statement of expenditure for Brunel University attached.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:
