OFFICIAL

AGREEMENT ON ADDITIONAL CONDITIONS TO THE MRC TERMS AND CONDITIONS OF RESEARCH COUNCIL GRANTS BETWEEN THE MEDICAL RESEARCH COUNCIL (AS PART OF UK RESEARCH AND INNOVATION) AND THE UNIVERSITY OF EXETER ON THE MANAGEMENT OF A MEDICAL RESEARCH COUNCIL CENTRE FOR MEDICAL MYCOLOGY AT THE UNIVERSITY OF EXETER

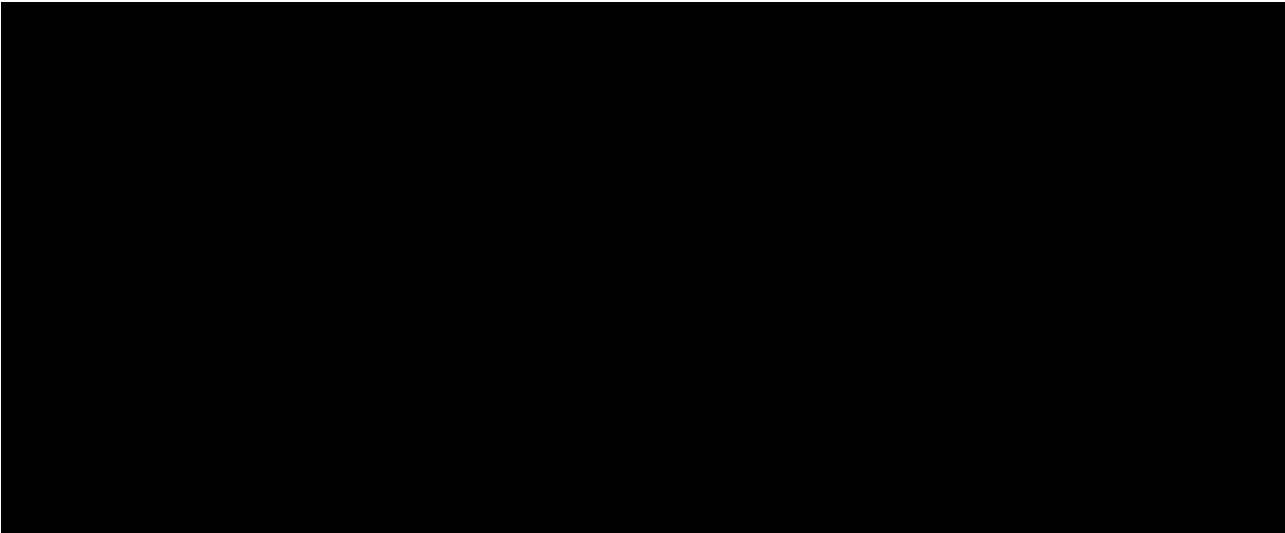

1. INTRODUCTION

- 1.1 This agreement sets out the additional conditions under which the Medical Research Council ("the MRC") as part of UK Research and Innovation ("UKRI") has established a Centre with the University of Exeter ("the University"), to be known as the MRC Centre for Medical Mycology at the University of Exeter ("the Centre"), following the submission of the proposal to the MRC included at [Annex 1](#). The Centre is intended to be an identifiable integrated research entity operating within the University jointly funded by the University and the MRC but managed by and being the responsibility of the University.

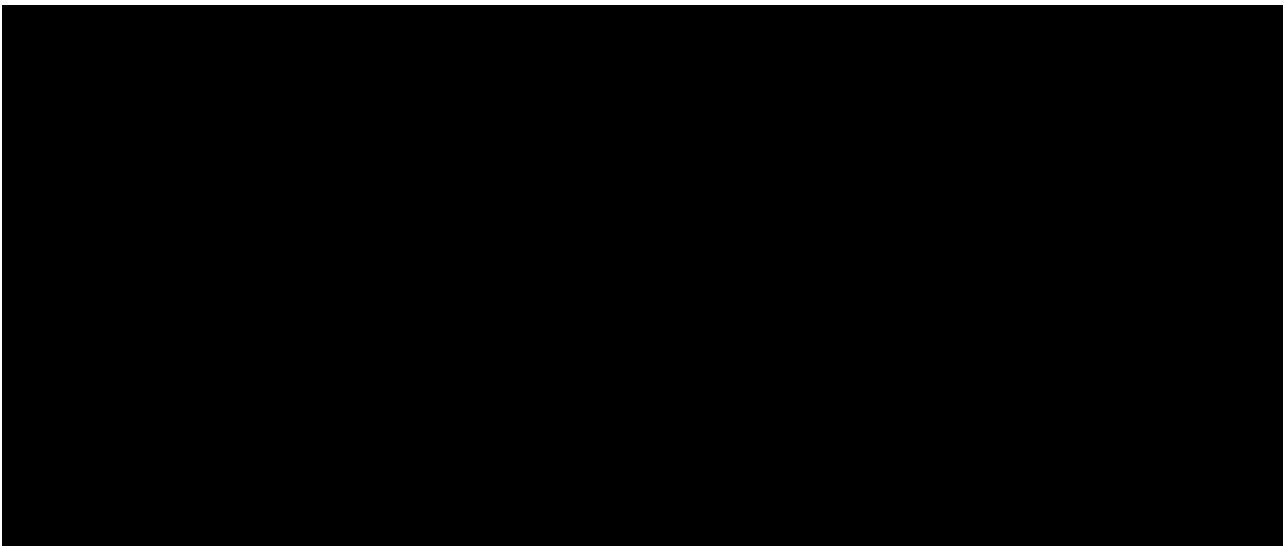

4. THE DIRECTOR

Status and key responsibilities

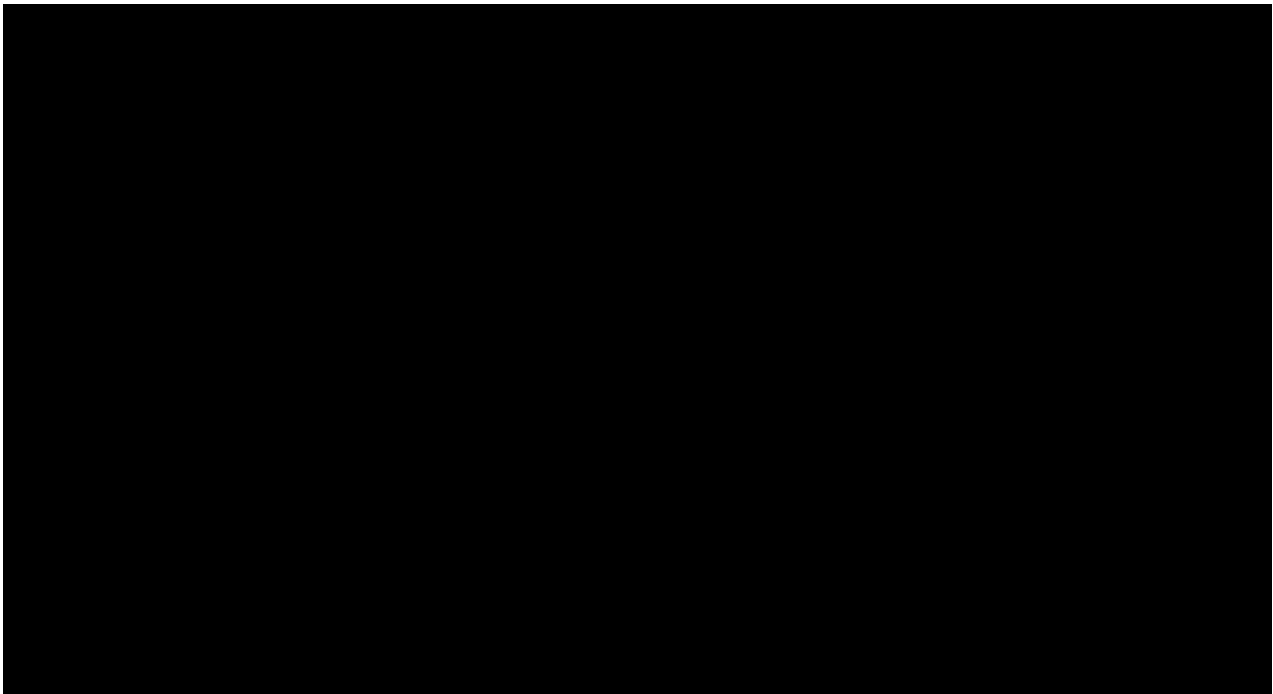

- 4.8 The University shall ensure that the Director shall be accountable jointly to the MRC and the University for all aspects of the management of the Centre. These include:

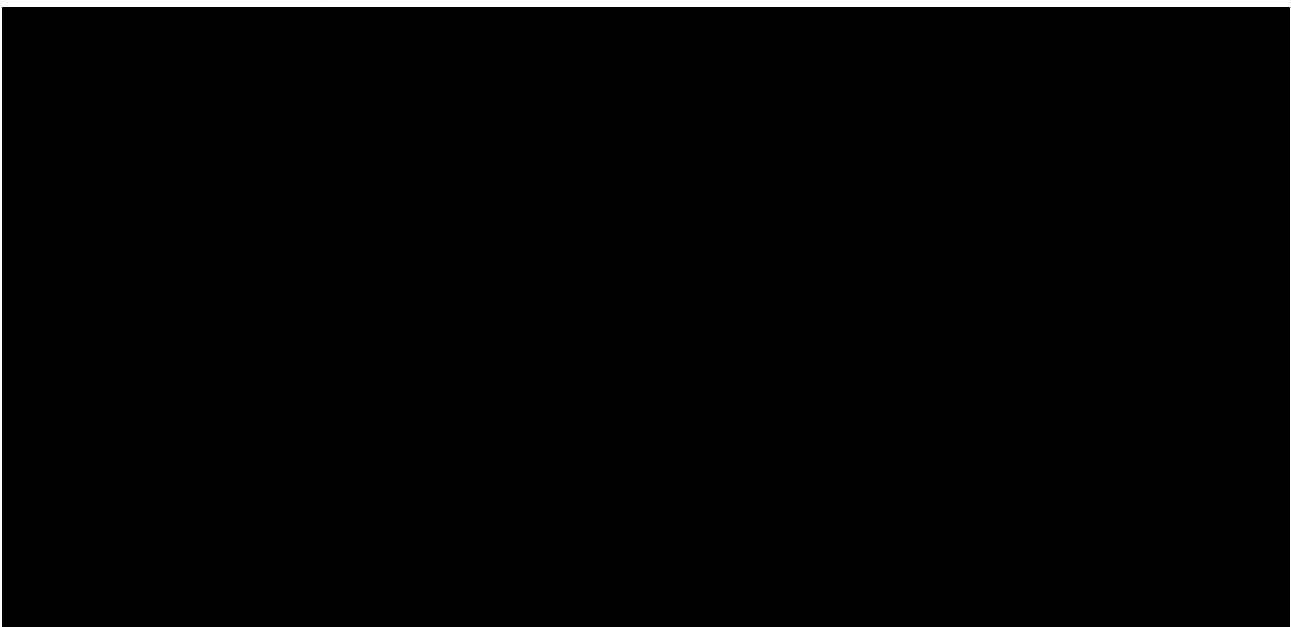

- (b) Day-to-day management of the Centre, its financial resources, staff, students and visiting and attached workers - with the support of the appropriate University officers;

5. STAFF

- 5.1 It is anticipated that the majority of the staff of the Centre will be funded by research grants from various funding agencies, including the MRC. A list of the key staff of the Centre initially is at Annex 2 showing their names, affiliations to the programmes listed in Annex 1, funding sources (including all funding body grant reference numbers) and the expiry dates of fixed term contracts (where applicable).
- 5.2 The University shall employ the staff of the Centre in accordance with the University's normal terms and conditions of employment but subject also to the requirements of the MRC Grant Terms and Conditions.
- 5.3 In order to promote the training mission of the Centre, the University will encourage, support and fund the pursuit of best practice in the management, training and career development of researchers and other Centre staff, in accordance with the University's employment and training policies and the Concordat to Support the Career Development of Researchers.
