**Freedom of Information request: FOI2020/00362**

Thank you for your Freedom of Information request received on the 26 October in which you requested the following:

**Your request:**

1. *What is the "pass mark" for successful applications under the Framework Programme?*
2. *If this varies, what was the "pass mark" for each of the following last 2 calls for which figures are available - Sustainable Innovation Fund round 1 and Framework de minimis.*
3. *What is the passmark for Innovate UK Smart Grants: August 2020.*

**Our response**

I can confirm UK Research and Innovation (UKRI) hold the information relevant to your request. Please see the information below.

***What is the "pass mark" for successful applications under the Framework Programme?***

For all our competitions we have a quality mark of 70% which would also apply for the temporary framework competition.

***If this varies, what was the "pass mark" for each of the following last 2 calls for which figures are available - Sustainable Innovation Fund round 1 and Framework de minimis.***

The Sustainable Innovation Fund: round 1 (temporary framework) lowest score funded 72.3  
The Sustainable Innovation Fund: Round 2 (de minimis) lowest score funded 70

***What is the passmark for Innovate UK Smart Grants: August 2020.***

This competition does not close until 25 November so we are unable to provide the lowest score funded, however as for all competitions we have a quality threshold of 70%.
