Hi Both,
Researchfish have highlighted this to us. How should we approach this? [REDACTED]

Thanks,

Hi [REDACTED]

Hope you are both well. As per usual we keep an eye on twitter and commit to flagging any unpleasant and potentially abusive tweets to the relevant funders. This is not something our employees should have to deal with seeing, and obviously impacts our reputation as an organisation too.

So I'm sorry to have to bring this to your attention, please see

[REDACTED] I have attached a screenshot too.

kind regards,

Please note my email address has changed to [REDACTED], Please can you update your address book accordingly. My researchfish.com email address will continue to forward on to this address for the time being.
