Our response:

I can confirm UK Research and Innovation (UKRI) do not hold information relevant to your request. Please see the information below.

We note that you sent the same request to several research councils. All the research councils, Innovate UK and Research England have been brought together under UK Research and Innovation (UKRI). As this is the case, all your requests have been handled as a single request from UKRI. Further information on UKRI can be found [here](#)¹.

UKRI have not made any payments or grants to any of the listed organisations during financial years 2018-19, 2019-20 or 2020-2021.

After consulting with both the finance and grants teams it was determined that of the listed organisations, seven are registered with UKRI and five of those are able to hold grants, however none of these have current funding or have received funding through the periods mentioned above.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:

Head of Information Governance

Email: foi@ukri.org or infogovernance@ukri.org

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: <http://www.ico.gov.uk/>

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>
