Dear Georg,

Your Research Office should have had notification that your grant has been extended till 30 June 2016.

With regards to ESRC attendance to the event, I have sent details to your grant case officer. I am assuming that as you haven't heard that they have decided that they can't attend. I'm afraid the dangers of administrative cuts means that the ESRC has less opportunity to engage with the science it actually funds at an operational level.

Best wishes,

[REDACTED]

**Subject:** Workshop April & Extension Request

Dear [REDACTED],

attached an updated program for the workshop in April. We have moved the event to QMUL's Whitechapel Campus due to the need for a larger room for the presentation at 6 p.m. on the 13th.

There is a map at the bottom of page 2 indicating where the building is to be found.

[REDACTED], who is the ESRC funded RA on the project, wrote to me yesterday

regarding our request for an extension. Do you have some idea when this will be decided?

Best wishes,

Georg
