Thank you for your Freedom of Information request received on the 7 September in which you requested the following:

**Your request:**

*What fees are paid by Innovate UK to assessors of funding applications? Say, the last 5, if fees vary.*

**Our response:**

I can confirm UK Research and Innovation (UKRI) hold the information relevant to your request. Please see the information below.

Assessment fees can vary from competition to competition depending on the number of questions within the application and any supporting documents that may also be required. This variation can be anything between £75 and £150 per assessment. In order for a more accurate figure to be provided we would require details of specific competitions.
