Dear [REDACTED],

**Freedom of Information request: FOI2023/00851**

Thank you for your Freedom of Information request received on the 27 October in which you requested the following:

**Your request:**

*I have identified four projects by the British company The Alloy LTD funded by Innovate UK on your website (<https://qtr.ukri.org/organisation/BD4ADB11-0ADD-41D8-9D6B-79CC0F76C195>): MWB, eCH, INOS and Eurostars EHR Pathways .*

*The available information about each project is however quite limited. For example the names of the partners of The Alloy involved in the projects and the full name of the projects is not visible to me.*

*Therefore I request as much information as possible about the four projects; Who was the partner, what's the full name of the project etc.*

**Our response:**

I can confirm that UK Research and Innovation (UKRI) hold information relevant to your request. Please see the information below.

Under Section 21 of the FOIA, information already reasonably accessible, the information you have requested is already available in the public domain:

- Project 600253: [EHR treatment pathways for better care and professional nurse support in municipality health service](https://www3.nr.no/en/projects/ehrpipelines)<sup>1</sup>
- Project 600159: [Medical White Board - an interactive software solution for planning and follow-up of patient treatments in hospitals](https://www.era-learn.eu/network-information/networks/eurostars/eurostars-programme-1/medical-white-board-an-interactive-software-solution-for-planning-and-follow-up-of-patient-treatments-in-hospitals)<sup>2</sup>
- Project 600423: [InclusionSociety - improving usability of the municipal health services and opening up access to the self-serve society](https://www.aal-europe.eu/projects/inclusion-society/)<sup>3</sup>
- Project 600451: [eCare@home - daily life management and monitoring system for elderly with mental disorders](https://www.aal-europe.eu/projects/ech/)<sup>4</sup>

The published information available on the above links includes the full name of the project, the project partners and additional information including a description of the project.

Section 21 is an absolute exemption which means that there is no requirement to conduct a public interest test.
