Our response:

I can confirm UK Research and Innovation (UKRI) do not hold the information relevant to your request. Please see the information below.

As we previously advised in our response to your request FOI2021/1083, these contracts are managed, maintained and supported by UKSBS who provide the above services and manage contracts for the underlying infrastructure.

Following their renegotiation and a reassessment of our processes, UKSBS is now responsible for responding to Freedom of Information requests related to the contracts they administer that are not for the exclusive use of UKRI.

The telephone service, and associated maintenance contract, provided to UKRI by UKSBS is part of a larger services contract between UKSBS and the Department for Business, Energy and Industrial Strategy (BEIS). It is therefore not a service provided exclusively to UKRI and we would subsequently advise you to redirect your request to FOI@uksbs.co.uk for this information.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:

Head of Information Governance
Email: foi@ukri.org or infogovernance@ukri.org

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: <http://www.ico.gov.uk/>

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,
