*<https://www.ukri.org/about-us/policies-and-standards/transparency/>*

*There appears to be no file available for the month of June 2020. Could you advise when the file will be made available to view online? Would it be possible for you to email me a copy of the June 2020 file please & Thank you.*

**Our response**

I can confirm UK Research and Innovation (UKRI) hold the information relevant to your request.

UKRI understand that being transparent in regard to our expenditure is in the public interest. However, the data requested is currently being collated and reviewed. We are of the view that releasing the information as it currently stands would be inaccurate, incomplete and misleading and thus not in the public interest.

We have therefore determined that the outcome of this test is that the public interest is insufficient to justify immediate disclosure. This information is likely to be available within one year of the spend occurring and will be published to the link as noted in your original request.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:

Head of Information Governance

Email: [foi@ukri.org](mailto:foi@ukri.org) or [infogovernance@ukri.org](mailto:infogovernance@ukri.org)

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: <http://www.ico.gov.uk/>

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,
