Hi [REDACTED]

Hope you are well. As usual we keep an eye on twitter and commit to flagging anything inappropriate to the relevant funders. I'd just like to draw your attention to one from today (screenshot cc'd) inciting anti-researchfish behaviour and seems particularly inappropriate. As you can see, I have added a gentle reply to them in the hope that they remove it. I'd appreciate you looking into this.

kind regards,
[REDACTED]
