Dear [REDACTED]

Freedom of Information request: FOI2025/00306

Thank you for your Freedom of Information request received on the 18 March in which you requested the following:

Your request:

I wish to submit a request to the organisation around their hosting contract(s) with 3rd party providers.

You may have received the same request in the past and this information sent has now expired and I require an update as soon as possible for the following.

The type of contract I wish to see is below:

1. *Dedicated hosting- Managed environment*

3. *Cloud Hosting- Cloud hosting services provide hosting for websites on virtual servers, which pull their computing resources from extensive underlying networks of physical web servers.*

Not all of these will be applicable to the organisation.

For the different types of hosting services, can you provide me with the following information:

1. *Type of hosting – Dedicated, Co-Location, Cloud Hosting, Other?*
2. *Who is the supplier of the contract? If possible can you also provide me with the name of the vendor, if applicable?*
3. *What is the annual contract value for each contract?*
4. *What type of cloud environment?*
Private Cloud- a distinct and secure cloud based environment in which only the specified client can operate.
Public Cloud - where cloud services are provided in a virtualized environment, constructed using pooled shared physical resources, and accessible over a public network such as the internet.
Hybrid- integrated cloud service utilising both private and public clouds to perform distinct functions within the same organisation.
5. *What is the original start date of the contract agreement? If there are more than one contract please provide me with the start date for each contract.*
6. *What is the actual expiry date of the contract agreement? If there are more than one contract please provide me with the expiry date for each contract.*
7. *When will the organisation plan to review this contract? If there are more than one contract please provide me with the review date for each contract.*
8. *What is the contract period in years? Please include whether the agreement has any extension periods?*
9. *What services are provided under the contract? Please do not put hosting information such as web hosting, file storage, hosted application. The more information the better,*

10. Can you please provide me with the contract officer responsible for this contract? Complete contact details if possible name, title, contact email and number.
