Dear [REDACTED],

Freedom of Information request: FOI2023/00204

Thank you for your Freedom of Information request received on the 16 April in which you requested the following:

Your request:

I am looking to find applicant diversity data on the UKRI Future Leaders scheme. I have viewed the data available at <https://www.ukri.org/publications/future-leaders-fellowships-outcomes-and-edl-data/>, but this does not appear to provide data broken down to rejection/success at the interview stage. Given the importance of the interview process in these applications I am keen to be able to see relevant data from rounds 1-6.

Would you be able to share with me this information, or give me links to the relevant pages on your website in case I have missed something?

Our response

I can confirm that UK Research and Innovation (UKRI) hold information relevant to your request. Please see the information attached.

It should be noted that some of the values in the table may differ from the previously published information. This is because the information is obtained via the applicants Je-S record, and a small number of the individuals who have applied to the FLF have updated their protected characteristics since the original data set was compiled. The information in this table represents information captured 31st March 2023.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact within the next 40 working days:

Head of Information Governance

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: www.ico.org.uk.

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,
