Clarification received on 20 June 2022:

Yes my request refers to the project: <https://qtr.ukri.org/projects?ref=EP%2FV008145%2F1>
"The Green Ammonia Demonstrator - a National Net-Zero Project"

Our response

I can confirm UK Research and Innovation (UKRI) does not hold any information relevant to your request.

UKRI does not hold any information regarding the use of ventilation technology in the green ammonia demonstrator project that you have referenced.

As part of our duty to provide advice and assistance under section 16 of the FOI Act, we can advise that the grant is not a research grant but a network to allow access for researchers (especially students) to the facility (which was established at the Rutherford Appleton Laboratory (RAL) with funding from Innovate UK and Siemens, before being donated to STFC-RAL). For further information on this project, we would recommend obtaining this directly from the Principal Investigator (PI), Dr Jim Halliday.

If you have any queries regarding our response or you are unhappy with the outcome of your request and wish to seek an internal review of the decision, please contact:

Head of Information Governance
Email: foi@ukri.org or infogovernance@ukri.org

Please quote the reference number above in any future communications.

If you are still not content with the outcome of the internal review, you may apply to refer the matter to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review procedure provided by UKRI. The Information Commissioner can be contacted at: www.ico.org.uk.

If you wish to raise a complaint regarding the service you have received or the conduct of any UKRI staff in relation to your request, please see UKRI's complaints policy: <https://www.ukri.org/about-us/policies-and-standards/complaints-policy/>

Yours sincerely,
